

# Your A R Training & Supervising Manager

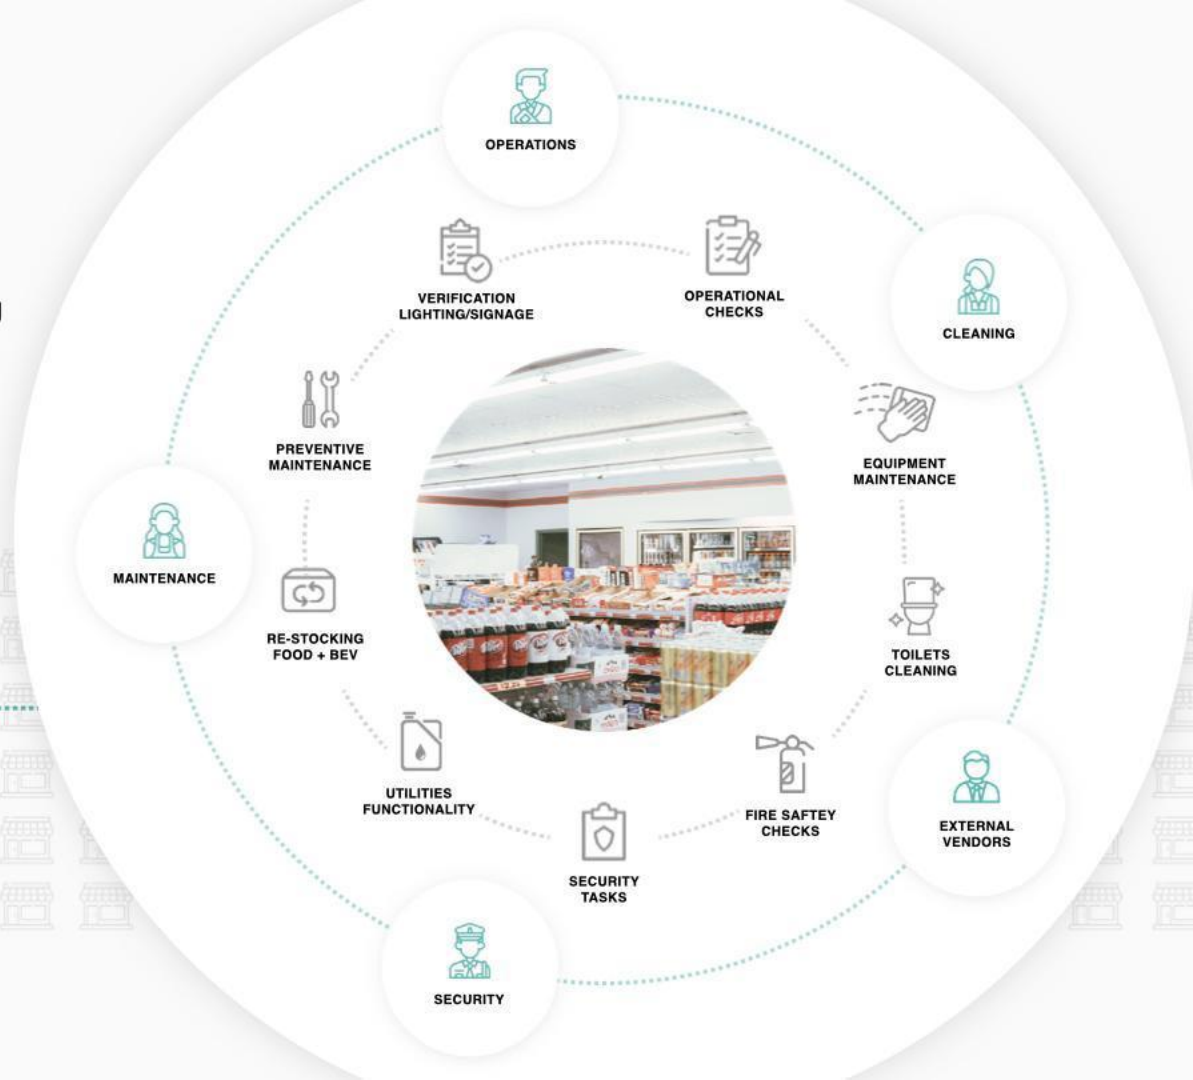

## SAAS PLATFORM

Inspekly **replaces** the need for in person training and **enables remote** management of staff in **multiple facilities** through **digital twins** and **augmented reality**

# THE CHALLENGE

Managing **thousands of staff** in 1 or **multiple factories** requires continuous training and in person supervision of low and high skilled workers.

# THE CURRENT APPROACH (GENERATING LOSSES)

## IN-PERSON TRAINING

- EXPENSIVE APPROACH
- DISTRACTS EXISTING STAFF
- TIME CONSUMING

## PAPER CHECK-LISTS

- REPETITIVE
- HARD TO PROOF FOR INSURANCE PURPOSES
- LACKS DIGITALIZATION

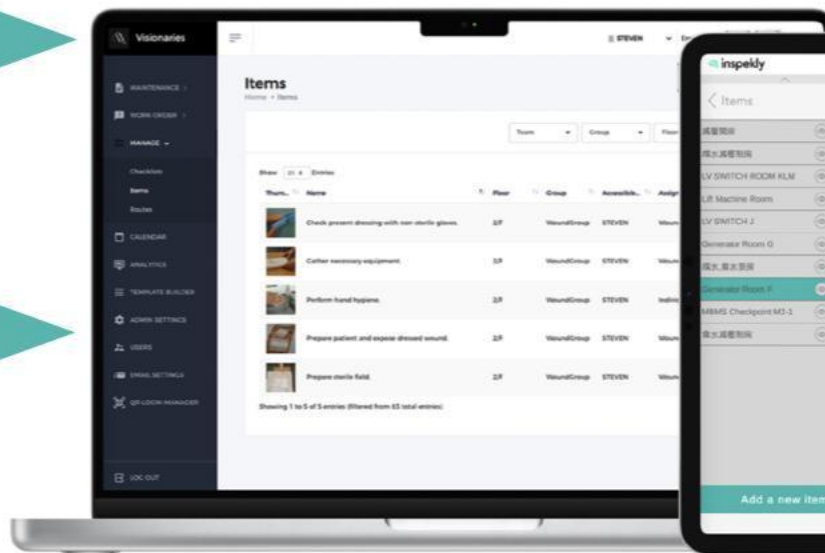

# THE **INSPEKLY** APPROACH (PRODUCING SAVINGS)

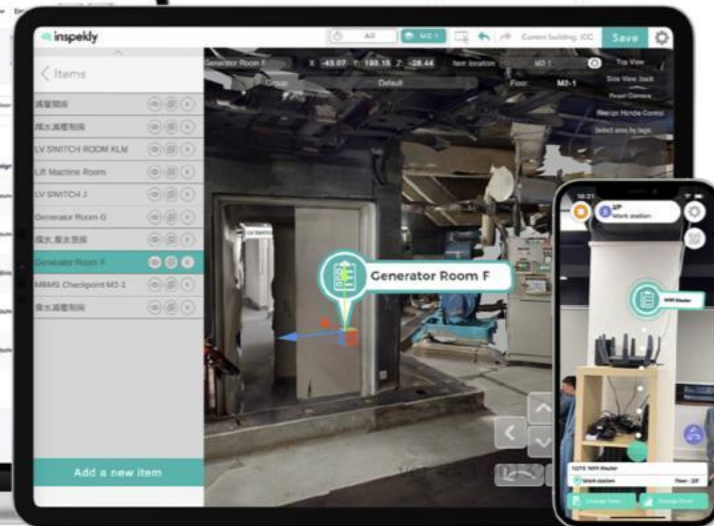

IN-PERSON TRAINING

PAPER CHECK-LISTS

Web-based portal

Digital Twin manager & AR content editor

Operational App

DIGITALISE ALL YOUR TRAINING AND MAINTENANCE ROUTINES INTO INSPEKLY FOR INSTANT SAVINGS

# OUR TECH: **INSTANT DEVELOPMENT** AND **USAGE**

01

## **SCAN**

Using any LIDAR  
Enabled Device

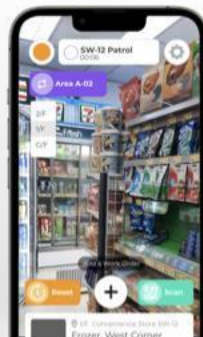

02

## **ASSIGN**

Training and  
Operational Routines

03

## **DEPLOY**

To any AR or MR  
Enabled Device
